WINE SLATE

GLS ... Glass Q ... Quartino BTL ... Bottle
Quartino

A small decanter that holds a quarter of a liter (about one third of a bottle), that is a wonderful way to try, and share new wines. Part of the fun of drinking wine is swirling it around in the glass, smelling it, sipping and savoring it slowly. The Quartino puts the control in your hands. If you don't wish to order a whole bottle of wine, or if some in your party want one type of wine and others something else, then the Quartino offers wonderful flexibility.
